Match Format

All singles rubbers are best of three sets - the opening two sets have a tiebreak at 6 games all (first to seven points with two point margin)

If a deciding set is needed it will be played as a championship match tiebreaker (first to ten points with two point margin)

All doubles sets are standard six game sets with a tiebreaker at 6 games all (first to seven points with two point margin)

* Points

One point is awarded for every set won (including Championship tiebreaker if played) and two points for the match win.

A team is awarded a maximum seven points for winning both rubbers, the doubles set and the overall match.
